The Notice also advises you of your rights to: participate in the settlement claims process; exclude yourself from any or all of the Settlement Classes; and object to the terms of the proposed settlements, the plan of distribution, and the requests for fees, costs and expenses, and an incentive payment to the Class Representative in connection with the Court hearing on these matters.

BACKGROUND

Plaintiff has reached settlements with the Mitsubishi Electric Defendants, the HIAMS Defendants, the DENSO Defendants, and the Diamond Electric Defendants totaling \$5,940,332. Under the terms of the proposed settlements, Mitsubishi Electric will pay \$2,986,486 (the "Mitsubishi Electric Settlement Fund"), HIAMS will pay \$2,653,846 (the "HIAMS Settlement Fund"), DENSO will pay \$100,000 (the "DENSO Settlement Fund"), and Diamond Electric will pay \$200,000 (the "Diamond Electric Settlement Fund") (the 4 settlement funds are collectively referred to as the "Ignition Coils Settlement Fund"). The Court has preliminarily approved each of these settlements.

This litigation, and the proposed settlements, are part of coordinated legal proceedings involving a number of parts used in motor vehicles. This litigation and the proposed settlements relate solely to Ignition Coils purchased in the United States **directly** from a Defendant, or depending on the specific settlement agreement, its parents, subsidiaries, affiliates, or joint ventures. The meaning of the term "Ignition Coils" is defined in each settlement agreement, but generally means devices that are part of a vehicle's fuel ignition system and release electric energy to ignite a fuel mixture. These proposed settlements do not relate to, and have no effect upon, cases involving any product other than Ignition Coils.

If you are a member of the Mitsubishi Electric, HIAMS, DENSO, or Diamond Electric Settlement Classes (defined below), you have the rights and options summarized here:

- You may remain in any or all of the Mitsubishi Electric, HIAMS, DENSO, or Diamond Electric Settlement Classes and be eligible to share in the proceeds of, and be bound by the terms of, those settlements in which you elect to remain;
- You may exclude yourself from the any or all of the Mitsubishi Electric, HIAMS, DENSO, or Diamond Electric Settlement Classes, in which case you will **not** be bound by any settlement from which you exclude yourself and will **not** be eligible to share in the proceeds of that settlement;
- If you remain in the Mitsubishi Electric, HIAMS, DENSO, or Diamond Electric Settlement Classes, you may object to that proposed settlement, to the proposed plan of distribution of the Ignition Coils Settlement Fund, or to Settlement Class Counsel's request for an award of attorneys' fees and reimbursement of litigation costs and expenses, and an incentive payment to the Class Representative. You may also appear at the hearing where the Court will consider these matters;
- You may enter an appearance in the litigation through your own counsel at your own expense; and
- Any Settlement Class member who wishes to participate in the distribution of the Mitsubishi Electric, HIAMS, DENSO, or Diamond Electric Settlement Funds must complete and submit a copy of the Claim Form on or before May 22, 2020.

WHO IS IN THE SETTLEMENT CLASSES?

The Court has provisionally certified a Direct Purchaser Mitsubishi Electric Settlement Class ("Mitsubishi Electric Settlement Class"), Direct Purchaser HIAMS Settlement Class (the "HIAMS Settlement Class"), Direct Purchaser DENSO Settlement Class (the "DENSO Settlement Class"), and a Direct Purchaser Diamond Electric Settlement Class (the "Diamond Electric Settlement Class") for the purpose of disseminating notice of the proposed Mitsubishi Electric, HIAMS, DENSO, and Diamond Electric settlements.

The Mitsubishi Electric Settlement Class is defined as follows:

All individuals and entities who purchased Ignition Coils in the United States directly from one or more Defendants (or their subsidiaries, affiliates, or joint ventures) from January 1, 2000 through March 12, 2018. Excluded from the Settlement Class are Defendants, their present and former parent companies, subsidiaries, and affiliates, federal governmental entities and instrumentalities of the federal government, and states and their subdivisions, agencies, and instrumentalities.

The HIAMS Settlement Class and the Diamond Electric Settlement Classes are defined as follows:

All individuals and entities who purchased Ignition Coils in the United States directly from Defendants (or their subsidiaries or affiliates) from January 1, 2000 through March 12, 2018. Excluded from the Settlement Class are Defendants, their present and former parent companies, subsidiaries, and affiliates, federal governmental entities and instrumentalities of the federal government, and states and their subdivisions, agencies, and instrumentalities.

For purposes of the Mitsubishi Electric, HIAMS, and Diamond Electric Settlement Class definitions set forth above, the following entities are Defendants: Hitachi Automotive Systems, Ltd.; Hitachi Automotive Systems Americas, Inc.; Hitachi, Ltd.; Denso Corporation; Denso International America, Inc.; Denso Products and Services Americas, Inc.; Denso International Korea Corporation; Diamond Electric Mfg. Co., Ltd.; Diamond Electric Mfg. Corporation; Mitsubishi Electric Corporation; Mitsubishi Electric US Holdings, Inc.; and Mitsubishi Electric Automotive America, Inc.

The DENSO Settlement Class is defined as follows:

All individuals and entities who purchased Ignition Coils in the United States directly from one or more Defendant(s) (or their subsidiaries, affiliates, or joint ventures) from January 1, 2000 through March 12, 2018. Excluded from the Settlement Class are Defendants, their present and former parent companies, subsidiaries, and affiliates, federal governmental entities and instrumentalities of the federal government, and states and their subdivisions, agencies, and instrumentalities.

For purposes of the DENSO Settlement Class definitions set forth above, the Defendants are: DENSO Corporation; DENSO International America, Inc.; DENSO Products & Services Americas, Inc. (f/k/a DENSO Sales California, Inc.); DENSO Korea Corporation (f/k/a separately as DENSO International Korea Corporation and DENSO Korea Automotive Corporation); Diamond Electric Mfg. Co., Ltd.; Diamond Electric Mfg. Corp.; Hitachi, Ltd.; Hitachi Automotive Systems, Ltd.; Hitachi Automotive Systems Americas, Inc.; Mitsubishi Electric Corp.; Mitsubishi Electric US Holdings, Inc.; Mitsubishi Electric Automotive America, Inc.; Hanshin Electric Manufacturing Co., Ltd.; Toyo DENSO Co., Ltd.; Weastec, Inc.; and Yura Corp., and their parents, subsidiaries, and affiliates.

Plaintiff All European Auto Supply, Inc. has been appointed by the Court to serve as “Class Representative” for the Mitsubishi Electric, HIAMS, DENSO, and Diamond Electric Settlement Classes. The Court has appointed the law firms of Freed Kanner London & Millen LLC, Kohn, Swift & Graf, P.C., Preti, Flaherty, Beliveau & Pachios LLP, and Spector Roseman & Kodroff, P.C. to serve as “Co-Lead Settlement Class Counsel” for the Settlement Classes. These firms, together with Cohen Milstein Sellers & Toll PLLC, which worked extensively with Co-Lead Settlement Class Counsel on this case, are referred to collectively as “Settlement Class Counsel.”

WHAT IS THIS LITIGATION ABOUT?

In May 2015, Plaintiff filed a class action lawsuit against Defendants on behalf of a class of direct purchasers of Ignition Coils, alleging that they conspired to raise, fix, maintain, and stabilize prices, rig bids, and allocate the supply of Ignition Coils sold in the United States, in violation of federal antitrust laws. Plaintiff further alleged that as a result of the conspiracy, it and other direct purchasers of Ignition Coils were injured by paying more than they would have paid in the absence of the alleged illegal conduct.

The Defendants all deny Plaintiff’s allegations and liability and have asserted defenses to Plaintiff’s claims. Defendants have agreed to settle this matter to avoid the expense and burden of further litigation. The Court has not issued any findings or rulings with respect to the merits of Plaintiff’s claims or Defendants’ defenses. These settlements, if approved by the Court, will fully resolve Plaintiff’s claims in this litigation.

WHAT RELIEF DO THE PROPOSED SETTLEMENTS PROVIDE?

Plaintiff, on behalf of the Mitsubishi Electric Settlement Class, entered into a settlement agreement with the Mitsubishi Electric Defendants on March 12, 2018 (the “Mitsubishi Electric Settlement Agreement”), under which the Mitsubishi Electric Defendants have agreed to pay \$2,986,486.

Plaintiff, on behalf of the HIAMS Settlement Class, entered into a settlement with the HIAMS Defendants on May 14, 2018 (the “HIAMS Settlement Agreement”), under which the HIAMS Defendants agreed to pay \$2,653,846.

Plaintiff, on behalf of the DENSO Settlement Class, entered into a settlement agreement with the DENSO Defendants on February 4, 2019 (the “DENSO Settlement Agreement”), under which the DENSO Defendants agreed to pay \$100,000.

Plaintiff, on behalf of the Diamond Electric Settlement Class, entered into a settlement with Diamond Electric on August 26, 2019, under which the Diamond Electric Defendants agreed to pay \$200,000.

As part of their respective settlements, the Mitsubishi Electric, HIAMS, and DENSO Defendants have each agreed to cooperate with Settlement Class Counsel in the prosecution of claims against any other Defendant, should the need for such cooperation arise.

This Notice is only a summary of the terms of the proposed settlements. The Mitsubishi Electric, HIAMS, DENSO, and Diamond Electric Settlement Agreements contain other important provisions, including the release of certain claims against the Settling Defendants (and companies and people affiliated with them). For the complete terms of the settlements, you are referred to the settlement agreements, which are on file with the Clerk of Court and are available online at www.AutoPartsAntitrustLitigation.com/IgnitionCoils. The proposed settlements must receive final approval by the Court to become effective.

If you wish to object to the approval of any of the settlements, you may do so, but only in accordance with the procedures set forth below. If you do not object to a settlement, you do not need to take any action at this time to indicate your support for, or lack of objection to, that settlement.

HOW DO I REMAIN IN THE SETTLEMENT CLASSES AND WHAT HAPPENS IF I DO?

If you are a member of any of the Mitsubishi Electric, HIAMS, DENSO, or Diamond Electric Settlement Classes as defined above, you will automatically remain in that Settlement Class unless you elect to be excluded. If you wish to remain in a Settlement Class, you do not need to take any action at this time with respect to that Settlement Class and your interests will be represented by the Class Representative and by Settlement Class Counsel. If you remain in any of the Mitsubishi Electric, HIAMS, or DENSO Settlement Classes and the proposed settlement with that Defendant is approved and becomes effective, you will be bound by its terms, including the release provisions, whether or not you receive a share of the settlement proceeds attributable to that settlement.

You will have no responsibility to individually pay attorneys’ fees or expenses. Any such fees and expenses will be paid solely from amounts obtained from the Defendants, whether by settlement or judgment, and must be approved by the Court after notice to you and a hearing. If you choose, you may also have your own attorney enter an appearance on your behalf and at your expense.

HOW WILL THE SETTLEMENT FUNDS BE DISTRIBUTED?

The Ignition Coils Settlement Fund, with accrued interest, less any amounts approved by the Court for payment of attorneys’ fees, litigation and settlement administration costs and expenses, and an incentive payment to the Class Representative (the “Net Ignition Coils Settlement Fund”), will be distributed among the members of the Settlement Classes who complete and timely submit a copy of the Claim Form that is included with this Notice, **postmarked on or before May 22, 2020**.

The Net Ignition Coils Settlement Fund will be distributed pro rata to all Claimants based upon their **direct** purchases in the United States from Defendants during the applicable Settlement Class Period. The distribution will take place as soon as practicable after review, determination, and audit of the Claim Forms by the Settlement Administrator and approval by the Court of the Settlement Administrator’s recommendations as to the amounts to be paid to the Claimants.

Do not dispose of any document that reflects your purchases of Ignition Coils in the United States directly from any Defendant (or its parents, affiliates, subsidiaries, or joint ventures) during the period from January 1, 2000 through March 12, 2018. You may need those documents to complete and substantiate your Claim Form, which will be subject to inquiry and verification.

WHAT IF I DO NOT WANT TO REMAIN IN ONE OR MORE OF THE SETTLEMENT CLASSES?

You may exclude yourself from any or all of the 4 Settlement Classes. If you wish to exclude yourself from any or all of the Settlement Classes, you must send a request for exclusion, in writing, by certified mail, return receipt requested, **postmarked no later than April 3, 2020**, to Co-Lead Settlement Class Counsel, and to counsel for the Settling Defendants, at the addresses set forth below, and to the following address:

Ignition Coils Direct Purchaser Antitrust Litigation
Settlement Administrator
P.O. Box 2691
Portland, OR 97208-2691

Your request for exclusion must identify the Settlement Class or Classes from which you are seeking exclusion and must include the full name and address of the purchaser (including any predecessor or successor entities and any trade names). You are also requested to identify the Defendant(s) (or parent, affiliate, subsidiary, or joint venture) from which you purchased Ignition Coils during the Class Period for the Settlement Class from which you seek exclusion, the Ignition Coils purchased during the Class Period, and the dollar amount of your purchases. If you validly exclude yourself from any or all of the Settlement Classes, you will not be bound by any decision concerning the Settlement Class or Classes from which you exclude yourself and you may pursue individually any claims you may have against that Defendant (at your own expense), but you will not be eligible to share in the settlement proceeds attributable to that Defendant.

REQUEST FOR ATTORNEYS' FEES AND EXPENSES, AND INCENTIVE PAYMENT

Settlement Class Counsel, together with other firms that have worked on this litigation, will file a petition for an award of attorneys' fees and reimbursement of their costs and expenses in prosecuting the case. The request of Settlement Class Counsel for attorneys' fees will not exceed 30 percent (30%) of the Ignition Coils Settlement Fund.

Settlement Class Counsel will also request an incentive payment to Plaintiff All European Auto Supply, Inc., which was appointed by the Court to serve as Class Representative for the Settlement Classes, in the total amount of \$25,000.

The application for attorneys' fees and litigation costs and expenses and an incentive payment will be filed on or before March 9, 2020. After that date, the petition for attorneys' fees will be available for your review on the settlement website at www.AutoPartsAntitrustLitigation.com/IgnitionCoils. If you remain a member of any of the Settlement Classes and you wish to object to the requests for fees and expenses or an incentive payment, you must do so in writing in accordance with the procedures for objections set forth below. If you do not oppose any of these requests, you do not need to take any action in that regard.

WHEN WILL THE COURT CONSIDER THESE MATTERS AND HOW CAN I TELL THE COURT WHAT I THINK ABOUT THE SETTLEMENTS?

The Court will hold a hearing on June 17, 2020, at 1:30 p.m., at the Theodore Levin United States Courthouse, 231 West Lafayette Boulevard, Detroit, MI 48226, Courtroom 250 (or such other courtroom as may be assigned for the hearing), to determine whether to approve: the proposed Mitsubishi Electric, HIAMS, DENSO, and Diamond Electric settlements; the proposed plan of distribution of the Ignition Coils Settlement Fund; and Settlement Class Counsel's requests for an award of attorneys' fees and reimbursement of litigation costs and expenses, and an incentive payment. The hearing may be rescheduled, continued or adjourned, and the courtroom assigned for the hearing may be changed, without further notice to you.

If you remain a member of the Mitsubishi Electric, HIAMS, DENSO, or Diamond Electric Settlement Classes and you wish to object to that proposed settlement, or to the proposed plan of distribution of the Ignition Coils Settlement Fund, or to Settlement Class Counsel's requests for an award of attorneys' fees and reimbursement of litigation costs and expenses, and an incentive payment, you must do so in writing and at your own expense.
