PLEASE READ THIS NOTICE CAREFULLY. YOUR LEGAL RIGHTS MAY BE AFFECTED BY LITIGATION NOW PENDING IN THIS COURT.

WHAT IS THE PURPOSE OF THIS NOTICE AND WHY WAS IT SENT TO ME?

This Notice is given pursuant to Rule 23 of the Federal Rules of Civil Procedure and an Order of the United States District Court for the Eastern District of Michigan, Southern Division (the "Court"). The purpose of this Notice is to inform you of a hearing before the Court to consider:

- (1) Proposed settlements with: (a) Defendants MITSUBA Corporation and American Mitsuba Corporation (collectively, the "MITSUBA Defendants"); and (b) Defendants DENSO Corporation, DENSO International America, Inc., DENSO Korea Corporation (f/k/a separately as DENSO International Korea Corporation and DENSO Korea Automotive Corporation), DENSO Automotive Deutschland GmbH, DENSO Products & Services Americas, Inc. (f/k/a DENSO Sales California, Inc.), ASMO Co., Ltd., ASMO North America, LLC, ASMO Greenville of North Carolina, Inc. and ASMO Manufacturing, Inc. (collectively, the "DENSO Defendants") (all Defendants referenced in this paragraph are collectively referred to as the "Settling Defendants");**
- (2) A proposed plan of distribution of MITSUBA and DENSO settlement proceeds to Settlement Class members and a proposed Claim Form that you may submit in order to share in the settlement proceeds; and**
- (3) Settlement Class Counsel's motion for an award of attorneys' fees and reimbursement of litigation costs and expenses, and an incentive payment to the Class Representative.**

This Notice provides information concerning the proposed settlements, the proposed plan of distribution, and the motion for attorneys' fees and reimbursement of litigation costs and expenses, and an incentive payment. The Notice also advises you of your rights to: participate in the settlement claims process; exclude yourself from either or both of the Settlement Classes; and object to the terms of the proposed settlements, the plan of distribution, and the requests for fees, costs and expenses, and an incentive payment to the Class Representative in connection with the Court hearing on these matters.

BACKGROUND

Plaintiff has reached settlements with the MITSUBA Defendants and the DENSO Defendants totaling \$690,134. Under the terms of the proposed settlements, MITSUBA will pay a total of \$590,134 (the "MITSUBA Settlement Fund"), and DENSO will pay a total of \$100,000 (the "DENSO Settlement Fund") (the two settlement funds are collectively referred to as the "Windshield Washer Systems Settlement Fund").

This litigation, and the proposed settlements, are part of coordinated legal proceedings involving a number of parts used in motor vehicles. This litigation and the proposed settlements relate solely to Windshield Washer Systems purchased in the United States **directly** from a Defendant, or depending on the specific settlement agreement, its parents, subsidiaries, affiliates or joint ventures. The meaning of the term "Windshield Washer Systems" is defined in each settlement agreement, but generally includes components such as the pump, hoses, nozzle, and tank necessary to deliver washer fluid to vehicle windows. These proposed settlements do not relate to, and have no effect upon, cases involving any product other than Windshield Washer Systems.

If you are a member of the MITSUBA or DENSO Settlement Classes (defined below), you have the rights and options summarized here:

- You may remain in either or both of the MITSUBA or DENSO Settlement Classes and be eligible to share in the proceeds of, and be bound by the terms of, any settlement in which you elect to remain;
- You may exclude yourself from either or both of the MITSUBA or DENSO Settlement Classes, in which case you will **not** be bound by any settlement from which you exclude yourself and will **not** be eligible to share in the proceeds of that settlement;
- If you remain in either or both of the MITSUBA or DENSO Settlement Classes, you may object to that proposed settlement, to the proposed plan of distribution of the Windshield Washer Systems Settlement Fund, or to Settlement Class Counsel's request for an award of attorneys' fees and reimbursement of litigation costs and expenses, and an incentive payment to the Class Representative. You may also appear at the hearing where the Court will consider these matters;
- You may enter an appearance in the litigation through your own counsel at your own expense; and
- Any Settlement Class member who wishes to participate in the distribution of the MITSUBA and DENSO Settlement Funds must complete and submit a copy of the Claim Form **on or before November 12, 2019**.

WHO IS IN THE SETTLEMENT CLASSES?

The Court has provisionally certified a Direct Purchaser MITSUBA Settlement Class (the "MITSUBA Settlement Class") and a Direct Purchaser DENSO Settlement Class (the "DENSO Settlement Class"), for the purpose of disseminating notice of the proposed MITSUBA and DENSO settlements.

The MITSUBA Settlement Class is defined as follows:

All individuals and entities who purchased Windshield Washer Systems in the United States directly from one or more Defendants (or their subsidiaries, affiliates, or joint-ventures) from January 1, 2000 through August 14, 2018. Excluded from the Settlement Class are Defendants, their present and former parent companies, subsidiaries and affiliates, federal governmental entities and instrumentalities of the federal government, and states and their subdivisions, agencies, and instrumentalities.

For purposes of the MITSUBA Settlement Class definition set forth above, the following entities are Defendants: Denso Corporation; ASMO Co., Ltd.; Denso International America, Inc.; ASMO North America, LLC; ASMO Manufacturing, Inc.; MITSUBA Corporation; and American Mitsuba Corporation.

The DENSO Settlement Class is defined as follows:

All individuals and entities who purchased Windshield Washer Systems in the United States directly from one or more Defendant(s) (or their subsidiaries, affiliates, or joint ventures) from January 1, 2000 through August 14, 2018. Excluded from the Settlement Class are Defendants, their present and former parent companies, subsidiaries, and affiliates, federal governmental entities and instrumentalities of the federal government, and states and their subdivisions, agencies, and instrumentalities.

For purposes of the DENSO Settlement Class definition set forth above, the Defendants are: ASMO Co. Ltd.; ASMO Manufacturing, Inc.; ASMO North America, LLC; DENSO Corporation; DENSO International America, Inc.; MITSUBA Corporation; American Mitsuba Corporation; Valeo S.A.; Robert Bosch GmbH; Jidosha Denki Kogyo Co., Ltd.; and their parents, subsidiaries, and affiliates.

Plaintiff Tiffin Motor Homes, Inc. has been appointed by the Court to serve as “Class Representative” for the MITSUBA and DENSO Settlement Classes. The Court has appointed the law firms of Freed Kanner London & Millen LLC, Kohn, Swift & Graf, P.C., Preti, Flaherty, Beliveau & Pachios LLP, and Spector Roseman & Kodroff, P.C. to serve as “Settlement Class Counsel” for the Settlement Classes.

WHAT IS THIS LITIGATION ABOUT?

In February 2014, Plaintiff filed a class action lawsuit against Defendants on behalf of direct purchasers of “Windshield Washer Systems.” Plaintiff filed an amended complaint in June 2014. Plaintiff alleges that Defendants conspired to raise, fix, maintain, and stabilize prices, rig bids, and allocate the supply of Windshield Washer Systems sold in the United States, in violation of federal antitrust laws. Plaintiff further alleges that as a result of the conspiracy, it and other direct purchasers of Windshield Washer Systems were injured by paying more than they would have paid in the absence of the alleged illegal conduct.

The Settling Defendants deny Plaintiff’s allegations and liability and have asserted defenses to Plaintiff’s claims. The Settling Defendants have agreed to settle this matter to avoid the expense and burden of further litigation. The Court has not issued any findings or rulings with respect to the merits of Plaintiff’s claims or the Settling Defendants’ defenses. These settlements, if approved by the Court, will fully resolve Plaintiff’s claims in this litigation.

WHAT RELIEF DO THE PROPOSED SETTLEMENTS PROVIDE?

Plaintiff, on behalf of the MITSUBA Settlement Class, entered into a settlement agreement with the MITSUBA Defendants on August 14, 2018 (the “MITSUBA Settlement Agreement”), in which the MITSUBA Defendants have agreed to pay \$590,134.

Plaintiff, on behalf of the DENSO Settlement Class, entered into a settlement agreement with the DENSO Defendants on February 4, 2019 (the “DENSO Settlement Agreement”), in which the DENSO Defendants have agreed to pay \$100,000.

As part of the settlement agreements described above, the MITSUBA and DENSO Defendants have each agreed to cooperate with Settlement Class Counsel in the prosecution of claims against any other Defendant, should the need for such cooperation arise.

This Notice is only a summary of the terms of the proposed settlements. The MITSUBA and DENSO Settlement Agreements contain other important provisions, including the release of certain claims against the MITSUBA and DENSO Defendants (and companies and people affiliated with them). For the complete terms of the settlements, you are referred to the settlement agreements, which are on file with the Clerk of Court and are available online at www.AutoPartsAntitrustLitigation.com/WindshieldWasherSystems. The proposed settlements must receive final approval by the Court to become effective.

If you wish to object to the approval of either of the settlements, you may do so, but only in accordance with the procedures set forth below. If you do not object to a settlement, you do not need to take any action at this time to indicate your support for, or lack of objection to, that settlement.

HOW DO I REMAIN IN THE SETTLEMENT CLASSES AND WHAT HAPPENS IF I DO?

If you are a member of either of the MITSUBA or DENSO Settlement Classes as defined above, you will automatically remain in that Settlement Class unless you elect to be excluded. If you wish to remain in a Settlement Class, you do not need to take any action at this time with respect to that Settlement Class, and your interests will be represented by the Class Representative and by Settlement Class Counsel. If you remain in either of the MITSUBA or DENSO Settlement Classes and the proposed settlement with that Defendant is approved and becomes effective, you will be bound by its terms, including the release provisions, whether or not you receive a share of the settlement proceeds attributable to that settlement.

You will have no responsibility to individually pay attorneys' fees or expenses. Any such fees and expenses will be paid solely from amounts obtained from the Defendants, whether by settlement or judgment, and must be approved by the Court after notice to you and a hearing. If you choose, you may also have your own attorney enter an appearance on your behalf and at your expense.

HOW WILL THE SETTLEMENT FUNDS BE DISTRIBUTED?

The Windshield Washer Systems Settlement Fund, with accrued interest, less any amounts approved by the Court for payment of attorneys' fees, litigation and settlement administration costs and expenses, and an incentive payment to the Class Representative (the "Net Windshield Washer Systems Settlement Fund"), will be distributed among the members of the Settlement Classes who complete and timely submit a copy of the Claim Form that is included with this Notice. Any Claim Form submitted electronically must be submitted **on or before November 12, 2019**. Any Claim Form submitted via mail must be **postmarked on or before November 12, 2019**.

The Net Windshield Washer Systems Settlement Fund will be distributed *pro rata* to all Claimants based upon their **direct** purchases of Windshield Washer Systems in the United States from Defendants during the applicable Class Period. The distribution will take place as soon as practicable after review, determination, and audit of the Claim Forms by the Settlement Administrator and approval by the Court of the Settlement Administrator's recommendations as to the amounts to be paid to the Claimants.

Do not dispose of any document that reflects your purchases of Windshield Washer Systems in the United States directly from any Defendant (or its parents, affiliates, subsidiaries, or joint ventures) during the period from January 1, 2000 through August 14, 2018. You may need those documents to complete and substantiate your Claim Form, which will be subject to inquiry and verification.

WHAT IF I DO NOT WANT TO REMAIN IN ONE OR MORE OF THE SETTLEMENT CLASSES?

You may exclude yourself from either or both of the Settlement Classes. If you wish to exclude yourself from either or both of the Settlement Classes, you must send a request for exclusion, in writing, by certified mail, return receipt requested, **postmarked no later than September 27, 2019**, to Settlement Class Counsel, and to counsel for Settling Defendants, at the addresses set forth below, and to the following address:

Windshield Washer Systems Direct Purchaser Antitrust Litigation
P.O. Box 2995
Portland, OR 97208-2995

Your request for exclusion must identify the Settlement Class or Classes from which you are seeking exclusion and must include the full name and address of the purchaser (including any predecessor or successor entities and any trade names). You are also requested to identify the Defendant(s) (or parent, affiliate, subsidiary, or joint venture) from which you purchased Windshield Washer Systems during the Class Period for the Settlement Class from which you seek exclusion, the Windshield Washer Systems purchased during the Class Period, and the dollar amount of your purchases. If you validly exclude yourself from either or both of the Settlement Classes, you will not be bound by any decision concerning the Settlement Class or Classes from which you exclude yourself and you may pursue individually any claims you may have against that Defendant (at your own expense), but you will not be eligible to share in the settlement proceeds attributable to that Defendant.

REQUEST FOR ATTORNEYS' FEES AND EXPENSES, AND INCENTIVE PAYMENTS

The Court has appointed the law firms identified above as Settlement Class Counsel. These law firms, together with other firms that have worked on this litigation, will file a petition for an award of attorneys' fees and reimbursement of their costs and expenses in prosecuting the case. The request of Settlement Class Counsel for attorneys' fees will not exceed 30 percent (30%) of the Windshield Washer Systems Settlement Fund.

Settlement Class Counsel will also request an incentive payment to Plaintiff Tiffin Motor Homes, Inc., which was appointed by the Court to serve as Class Representative for the Settlement Classes, in the total amount of \$10,000.

The application for attorneys' fees and litigation costs and expenses and an incentive payment will be filed on or before September 6, 2019. After that date, the petition for attorneys' fees will be available for your review on the settlement website at www.AutoPartsAntitrustLitigation.com/WindshieldWasherSystems. If you remain a member of either of the Settlement Classes and you wish to object to the requests for fees and expenses or an incentive payment, you must do so in writing in accordance with the procedures for objections set forth below. If you do not oppose any of these requests, you do not need to take any action in that regard.

WHEN WILL THE COURT CONSIDER THESE MATTERS AND HOW CAN I TELL THE COURT WHAT I THINK ABOUT THE SETTLEMENTS?

The Court will hold a hearing on November 5, 2019, at 2:00 p.m., at the Theodore Levin United States Courthouse, 231 West Lafayette Boulevard, Detroit, MI 48226, Courtroom 250 (or such other courtroom as may be assigned for the hearing), to determine whether to approve: the proposed MITSUBA and DENSO settlements; the proposed plan of distribution of the Windshield Washer Systems Settlement Fund; and Settlement Class Counsel's requests for an award of attorneys' fees and reimbursement of litigation costs and expenses and an incentive payment. The hearing may be rescheduled, continued or adjourned, and the courtroom assigned for the hearing may be changed, without further notice to you.

If you remain a member of either of the MITSUBA or DENSO Settlement Classes and you wish to object to that proposed settlement, or to the proposed plan of distribution of the Windshield Washer Systems Settlement Fund, or to Settlement Class Counsel's requests for an award of attorneys' fees and reimbursement of litigation costs and expenses and an incentive payment, you must do so in writing and at your own expense. Any such objection must include the caption of this litigation, must be signed, and must be **filed no later than September 27, 2019**, with the Clerk of Court, United States District Court for the Eastern District of Michigan, Southern Division, Theodore Levin United States Courthouse, 231 West Lafayette Boulevard, Detroit, MI 48226, and mailed to the following counsel, **postmarked no later than September 27, 2019**:
