

counsel and is sufficiently within the range of reasonableness that notice of the Settlement Agreement should be given to members of the proposed Settlement Class.

Class Certification

4. Pursuant to Rule 23 of the Federal Rules of Civil Procedure and in light of the proposed settlement, the Court hereby finds that the prerequisites for a class action have been met and provisionally certifies the following class for settlement purposes (the “Settlement Class”):

All persons or entities (but excluding Defendants, their officers, directors and employees, as well as Defendants’ parents, predecessors, successors, subsidiaries, and affiliates) who purchased Instrument Panel Clusters in the United States, its territories and possessions, directly from any Defendant, including Settling Defendants, or from any of their parents, predecessors, successors, subsidiaries, or affiliates, during the period from January 2001 up to and including the date that the Court enters an Order approving the proposed form of, and method for, dissemination of notice.

5. The Court finds that provisional certification of the Settlement Class is warranted in light of the Settlement Agreement because: (a) the Settlement Class is so numerous that joinder is impracticable; (b) the Direct Purchaser Plaintiff Class representative’s claims present common issues and are typical of the Settlement Class; (c) the Direct Purchaser Plaintiff Class representative and Settlement Class Counsel (identified below) will fairly and adequately represent the Settlement Class; and (d) common issues predominate over any individual issues affecting the members of the Settlement Class. The Court further finds that the Direct Purchaser Plaintiff Class representative’s interests are aligned with the interests of all other members of the Settlement Class. The Court also finds settlement of this action on a class basis superior to other means of resolving the matter.

Appointment of Class Representative and Settlement Class Counsel

6. The Court hereby appoints the law firms of Freed Kanner London & Millen LLC, Kohn, Swift & Graf, P.C., Preti, Flaherty, Beliveau & Pachios LLP, and Spector Roseman Kodroff & Willis, P.C. to serve as Settlement Class Counsel for the Direct Purchaser Settlement Class having determined that the requirements of Rule 23(g) of the Federal Rules of Civil Procedure are fully satisfied by these appointments.

7. The Court hereby appoints Plaintiff ACAP, L.L.C., f/k/a Aguirre, Collins & Aikman Plastics, LLC to serve as Class Representative of the Direct Purchaser Settlement Class.

20. The Court's provisional certification of the Settlement Class as provided herein is without prejudice to, or waiver of, the rights of any Defendant to contest certification of any other class proposed in these coordinated actions. The Court's findings in this Order shall have no effect on the Court's ruling on any motion to certify any class in these actions or on the Court's rulings concerning any Defendant's motion; and no party may cite or refer to the Court's approval of the Settlement Class as persuasive or binding authority with respect to any motion to certify any such class or any Defendant's motion.

21. The Court approves the establishment of the escrow account under the Settlement Agreement as a qualified settlement fund ("QSF") pursuant to Internal Revenue Code Section 468B and the Treasury Regulations promulgated thereunder, and retains continuing jurisdiction as to any issue that may arise in connection with the formation and/or administration of the QSF. Settlement Class Counsel are, in accordance with the Settlement Agreement authorized to expend funds from the QSF for the payment of the costs of notice, payment of taxes, tax expenses and settlement administration costs.

The litigation, and the proposed settlement, relate solely to Instrument Panel Clusters purchased **directly** from a defendant. These proceedings do not relate to, and have no effect upon, cases involving any other product or purchaser.

“Instrument Panel Clusters,” for purposes of the Settlement, are the mounted array of instruments and gauges housed in front of the driver of a motor vehicle. They are also known as meters. If you purchased Instrument Panel Clusters in the United States directly from any of the following defendants (or from any of their parents, predecessors, successors, subsidiaries or affiliates) during the period from January 1, 2001 up to and including \_\_\_\_\_, 2014 (the “Class Period”), you are a member of the Direct Purchaser Settlement Class:

Nippon Seiki Co., Ltd.;  
N.S. International, Ltd.;  
New Sabina Industries, Inc.;  
Yazaki Corporation;  
Yazaki North America Inc.;  
Denso Corporation; and  
Denso International America, Inc.

If you are a member of the Direct Purchaser Settlement Class, you have the rights and options summarized here:

- You may remain in the Direct Purchaser Settlement Class and be eligible to share in the Nippon Seiki Settlement Fund under a claims procedure that will be instituted in the future;
- You may exclude yourself from the Direct Purchaser Settlement Class, in which case you will **not** be bound by the settlement and will **not** be eligible to share in the Nippon Seiki Settlement Fund;
- If you do not exclude yourself from the Direct Purchaser Settlement Class, you may object in writing to the proposed Nippon Seiki settlement or the request to use a portion of the

Settlement Fund to pay litigation expenses and appear at the hearing where the Court will determine whether the proposed settlement should be approved as fair, adequate and reasonable, and whether a portion of the Settlement Fund may be used to pay litigation expenses; and

- You may enter an appearance in the litigation through your own counsel at your own expense.

You do **not** need to take any action at this time if you wish to remain in the Direct Purchaser Settlement Class. You should retain all of your records of Instrument Panel Clusters purchases for use in the claims procedure that will be instituted at a later date.

**WHO IS IN THE DIRECT PURCHASER SETTLEMENT CLASS?**

On \_\_\_\_\_, 2014, the Court certified a Direct Purchaser Settlement Class for purposes of disseminating notice of the proposed Nippon Seiki settlement, defined as follows:

All persons or entities (but excluding Defendants, their officers, directors and employees, as well as Defendants' parents, predecessors, successors, subsidiaries, and affiliates) who purchased Instrument Panel Clusters in the United States, its territories and possessions, directly from any Defendant, including Settling Defendants, or from any of their parents, predecessors, successors, subsidiaries, or affiliates, during the period from January 2001 up to and including \_\_\_\_\_.

For purposes of the Direct Purchaser Settlement Class definition set forth above, the following entities are defendants:

Nippon Seiki Co., Ltd.;  
N.S. International, Ltd.;  
New Sabina Industries, Inc.;  
Yazaki Corporation;  
Yazaki North America Inc.;  
Denso Corporation; and  
Denso International America, Inc.

Plaintiff ACAP, L.L.C., f/k/a Aguirre, Collins & Aikman Plastics, LLC has been appointed by the Court to serve as class representative for the Direct Purchaser Settlement Class. The Court has appointed the law firms of Freed Kanner London & Millen LLC, Kohn, Swift & Graf, P.C., Preti, Flaherty, Beliveau & Pachios LLP, and Spector Roseman Kodroff & Willis, P.C. (hereinafter, "Settlement Class Counsel") to serve as Settlement Class Counsel for the Direct Purchaser Settlement Class.

### **WHAT IS THIS LITIGATION ABOUT?**

In 2012, a class action was filed against defendants by plaintiff, a direct purchaser of Instrument Panel Clusters. Plaintiff alleges that defendants entered into a conspiracy to suppress and eliminate competition for Instrument Panel Clusters by agreeing to raise, fix, maintain, or stabilize prices, rig bids, and allocate markets and customers for Instrument Panel Clusters, in violation of federal antitrust laws. Plaintiff further alleges that as a result of the conspiracy, it and other direct purchasers of Instrument Panel Clusters have been injured by paying more for those products than they would have paid in the absence of the alleged illegal conduct, and it seeks recovery of treble damages, together with reimbursement of costs and an award of attorneys' fees.

Nippon Seiki and the other defendants deny plaintiff's allegations, and the Court has not issued any findings or rulings with respect to the merits of plaintiff's claims or defendants' defenses. This is a partial settlement of the claims in the Complaint as it is with Nippon Seiki only. The class representative plaintiff is continuing to prosecute the case against the remaining, non-settling, defendants.

**WHAT RELIEF DOES THE PROPOSED SETTLEMENT PROVIDE?**

Plaintiff, on behalf of the Direct Purchaser Settlement Class, has entered into a settlement agreement with Nippon Seiki dated April 3, 2014 (the “Settlement Agreement”) under which Nippon Seiki has paid the amount of \$5.25 million into an escrow account for the benefit of the Settlement Class. Nippon Seiki has also agreed to cooperate with plaintiff in the prosecution of the lawsuit against the remaining defendants. The cooperation provided for under the Settlement Agreement includes: (a) the production by Nippon Seiki of certain documents and data potentially relevant to plaintiff’s claims; (b) interviews with certain of Nippon Seiki’s officers, directors and employees; (c) declarations and affidavits from Nippon Seiki’s officers, directors and employees; (d) depositions and trial testimony of certain of Nippon Seiki’s officers, directors and employees; and (e) meetings between Settlement Class Counsel and Nippon Seiki’s counsel to provide information relating to the Instrument Panel Clusters industry and the alleged antitrust violations at issue in these actions.

Settlement Class Counsel agreed to the proposed settlement to ensure a fair and reasonable resolution to this matter, and to provide benefits to the members of the Direct Purchaser Settlement Class recognizing the existence of complex, contested issues of law and fact; the risks inherent in such complex litigation; the likelihood that in the absence of settlement future proceedings would take several years and be extremely costly; and the magnitude of the benefits resulting from the settlement in light of the possible range of recovery that could be obtained through further litigation, including the risk of no recovery. Settlement Class Counsel believe that it is in the best interests of the Direct Purchaser Settlement Class to enter into the proposed settlement and resolve this litigation as to Nippon Seiki.

This Notice is only a summary of the terms of the proposed settlement. The Settlement Agreement contains other important provisions, including the release of certain claims against Nippon Seiki, and you are referred to the Agreement, which is on file with the Clerk of Court and is available on-line at \_\_\_\_\_ .com, for the complete terms of the settlement. The proposed settlement must receive final approval by the Court in order to become effective.

If you are a member of the Direct Purchaser Settlement Class and the proposed settlement is approved and becomes effective, you will be bound by its terms, including the release provisions. If you wish to object to approval of the settlement, you may do so, but only in accordance with the procedures set forth below. If you do not object to the settlement, you do not need to take any action at this time to indicate your support for, or lack of objection to, the settlement.

**HOW DO I REMAIN IN THE SETTLEMENT CLASS AND WHAT HAPPENS IF I DO?**

If you are a member of the Direct Purchaser Settlement Class as defined above, you will automatically remain a Direct Purchaser Settlement Class member with respect to the Nippon Seiki settlement unless you elect to be excluded. If you wish to remain in the Direct Purchaser Settlement Class, you do not need to take any action at this time and your interests will be represented by plaintiff and by Settlement Class Counsel. You will have no responsibility to individually pay attorneys' fees or expenses. Any such fees and expenses will be paid solely from amounts obtained from the defendants, whether by settlement or judgment, and must be approved by the Court after notice to you and a hearing. If you choose, you may also have your own attorney enter an appearance on your behalf and at your expense.

If you remain in the Direct Purchaser Settlement Class and the final judgment order dismissing Nippon Seiki from the litigation becomes final and unappealable, you will be bound

by that judgment. As a member of the Direct Purchaser Settlement Class, you will be eligible to share in the Nippon Seiki Settlement Fund pursuant to a claims procedure which will begin at a later date. You will also be afforded an opportunity to be heard with respect to the proposed Nippon Seiki settlement.

Settlement Class Counsel are not presently asking the Court to distribute the Settlement Fund proceeds to Direct Purchaser Settlement Class members. If you remain a member of the Direct Purchaser Settlement Class, you will receive additional notice at a later date and you will have an opportunity to object to and be heard in connection with the proposed plan of distribution of the Settlement Fund at that time.

**Do not dispose of any document that reflects your direct purchases of Instrument Panel Clusters in the United States from any defendant during the period from January 1, 2001 up to and including \_\_\_\_\_, 2014. You may need those documents to complete a claim form in the future, which would be subject to inquiry and verification, if the settlement is approved or if damages are otherwise recovered from Nippon Seiki or another defendant.**

Settlement Class Counsel also are not seeking payment of attorney's fees or reimbursement of litigation costs incurred by Settlement Class Counsel at this time. In connection with seeking final approval of the Nippon Seiki settlement, plaintiff will seek permission from the Court to use up to 20% of the Settlement Fund to pay plaintiff's litigation expenses, including, but not limited to, costs for economic experts, depositions, costs related to document reproduction and review, and other costs incurred in prosecuting the case.

At a later date, Settlement Class Counsel will ask the Court for an award of attorneys' fees and reimbursement of litigation expenses, as well as payment of incentive awards to the

class representatives for their service to the class. When Settlement Class Counsel seek payment of attorneys' fees, reimbursement of litigation expenses, and incentive awards from the Settlement Fund, you will receive notice and be given an opportunity to object and be heard by the Court at that time.

**WHAT IF I DO NOT WANT TO REMAIN IN THE SETTLEMENT CLASS?**

If you wish to exclude yourself from the Direct Purchaser Settlement Class, you must send a request for exclusion, in writing, via certified mail, return receipt requested, **postmarked no later than \_\_\_\_\_, 2014**, to Settlement Class Counsel at the addresses set forth below, and to the following address:

Instrument Panel Clusters Direct Purchaser Antitrust Litigation  
PO Box 5110  
Portland, OR 97208-5110

Your request for exclusion must include the full name and address of the purchaser (including any predecessor or successor entities). You are also requested to identify the defendant(s) from which you purchased Instrument Panel Clusters during the Class Period, the Instrument Panel Clusters purchased, and the dollar amount of those purchases. If you validly exclude yourself from the Direct Purchaser Settlement Class you will not be bound by any decision concerning the Nippon Seiki settlement and you may pursue individually any claims you may have against Nippon Seiki, but you will not be eligible to share in the Settlement Fund created by the Nippon Seiki settlement.

**WHEN WILL THE COURT DECIDE WHETHER TO APPROVE THE SETTLEMENT AND HOW CAN I TELL THE COURT WHAT I THINK ABOUT THE SETTLEMENT?**

The Court will hold a hearing on \_\_\_\_\_, 2014, at \_\_\_\_\_ .m., at the Theodore Levin United States Courthouse, 231 West Lafayette Boulevard, Detroit, MI 48226, Courtroom 272, to determine whether the proposed Nippon Seiki settlement should be approved as fair,

reasonable and adequate. The Court will also consider at the hearing whether to approve plaintiff's request to utilize a portion of the Settlement Fund to pay plaintiff's litigation expenses incurred in the prosecution of the case against the non-settling defendants. The hearing may be continued without further notice.

If you do not exclude yourself from the Direct Purchaser Settlement Class and you wish to object to the Settlement Agreement or plaintiff's request to utilize a portion of the Settlement Fund to pay plaintiff's litigation expenses, you must do so in writing. Your objection must include the caption of this litigation, must be signed, and be **filed no later than \_\_\_\_\_, 2014**, with the Clerk of Court, United States District Court for the Eastern District of Michigan, Southern Division, Theodore Levin United States Courthouse, 231 West Lafayette Boulevard, Detroit, MI 48226, and mailed to the following counsel:
